LOCAL ODD FELLOWS BURN MORTGAGE ON THEIR PROPERTY

Fine Program in Connection with Ceremonies of the Evening

GRAND MASTER HONORS LODGE

The exercises incidental to the burning of a mortgage by Charleroi Lodge, No. 1030, I. O. O. F., in the Bank of Charleroi hall last night was of more than usual interest, and attracted a large attendance of members. The program for the evening had been arranged by a committee composed of Robert Craig, chairman, Frank Donaldson and Albert Wildman, and was carried out in a manner most pleasing to all those present.

The meeting was honored by the presence of the Grand Master, Frank Shannon, of Pittston, and by A. N. Dick, Deputy Grand Master, both of whom made splendid addresses, in which they commended the local lodge for the fine spirit which characterizes their work, and for the commendable enterprise by means of which they had accumulated enough funds to purchase such a valuable piece of property as that which had been acquired years ago, the debt on which was now being disposed of.

The burning of the mortgage occurred during the address made by John Schlotter, presient of the building committee, John S. Crawford, president, and Ira L. Nickeson, secretary of the first committee, as well as J. M. Fleming, secretary of the present committee, being the active participants. Mr. Crawford held the paper. Mr. Nickeson applied the match, while Mr. Fleming caught the ashes.

During the evening a fine program was rendered, music being furnished by Behrendt's orchestra, with vocal solos by James A. Wood, Mrs. Frank Kurpjuweit, and Thomas Dobson, readings by Miss Alice Smallwood, and a clarionet solo by Carl Behrendt.

The occasion was one of much gratification to members of the the order and their friends, as the ultimate result will be a fine building on the property which has been made free from all debt.

Everybody is Invited

PARENTS HUNTING FOR MISSING GIRL

Posters bearing a photograph reproduction of Miss Ruth Welling and relating her mysterious disappearance from her home in Ellsworth have been placed in a number of store in this section of the valley, in an effort to locate the missing girl.

Miss Welling, who is 17 years of age, was employed as a telephone operator at Ellsworth and left her home for work on the morning of October 18th last, andhas notbeen seen nor heard of since. Her distracted parents have made a futile attempt to learn of the girl's whereabouts, but without avail, and friends and neighbors have now come forward and are assisting in the country-wide search for information that will lead to the return of the girl to her home.

The young lady was quite popular in her home town, and was a regular attendant at Sunday school. Her pastor, Rev. H. H. Ryland, is putting forth every effort to locate the missing girl.

PRIMARY BALLOTS OUT FOR CHAMBER OF COMMERCE

Ballots for the Primary Election of the Chamber of Commerce were received by all members this morning, and they are urged to vote immediately and return same to the headquarters in the Municipal Building.

40TH ANNIVERSARY CHRISTIAN ENDEAVOR

The Young Peoples Society of the Washington Avenue Presbyterian church will celebrate Christian Endeavor week, which will mark the Fortieth Birthday of this world-wide organization.

The leader for the initial prayer meeting Sunday evening, January 30, is Mr. J. H. Clutter. He is making elaborate plans for the services; interesting talks with special music will be featured.

The aims of the Christian Endeavor Society are many and high, but their Ship of Faith guided by the hand of the Great Pilot and anchored by Loyalty, Love, Obedience and Sanity will not go to the shoals.

The young people's work is moving with splendid impetus this year, and the society with its younger officers and members is doing its rightful work in the Washington Avenue Presbyterian church.

STICK-UP MAN AND AUTO THIEF ARRESTED

Charles J. Nugent, was arrested at Ehama on Wednesday by State Trooper Crouch, after a telegram had been received from Indianapolis, to apprehend the man. The telegram was sent to Chief Parnicott of Monongahela, who turned it over to the State Police, who arrested Nuget, and placed him in the Monongahela lockup.

It is alleged that Nugent is the last one of a gang of eight stick-up men and automobile thieves, which operate in Indianapolis, and which got away with about $35,000 worth of autos. Detective Michael Hynes arrived in Monongahela on Friday and returned the same afternoon with Nugent to Indianapolis, where he will have to stand trial. Nugent's whereabouts was discovered by means of a letter which his mother had written to him.

DONORA TEAM WINS OVER CHARLEROI GIRLS

The Charleroi girls' team played the high school girls' team of Donora on the latter's floor last evening. The game was quite a good exhibition. Donora has not been beaten this season, so far; therefore they were out to win, and win they did, by a score of 21 to 14. The summary:

Charleroi—14.		Donora—21.
Piersol	F	Eyman
Sangston	F	M. Gottbroth
Phillips	C	Burkhardt
Provins	G	H. Gottbroth
Speers	G	Siven

Substitutions: Charleroi— Wilson for Provins. Field goals—Phillips 4, Speers, M. Gottbroth 4, Eyman, Burkhardt. Foul goals—Eyman 7 out of 14; Piersal 4 out of 12. Timekeepers Decker and Harrington. Scorers DeHaven and Frawley. Referee, Vedder.

SMITH WILL BE PLACED ON TRIAL

Albert Smith, confessed pyromaniac, lodged in the Fayette county jail upon 13 charges of arson and felonious arson in connection with the recent Fayette City fires, entered a plea of guilty last Monday with the District Attorney's office and will be brought into court and sentenced within a few days, it is said. Counsel for the boy's father, Reuben Smith of Fairhope, asked the court on Thursday that the plea be withdrawn and a commission be appointed to inquire into the boy's sanity. Counsel argued that if it was determined by a commission that the boy was of unsound mind he would be saved from facing a trial. As the petition was signed and ready for presentation to the court no action was taken. The court suggested that counsel for the boy's father and the District Attorney's office agree upon some plan of proceedure, whereupon the District Attorney informed the court that a plea had been entered and would be brought into court for trial.

Smith has indicated a desire to be spared from the trial, having stated to relatives in messages sent out that he was guilty of the 13 charges and desired to tell the truth and relieve hismind of further torture.

TAKE ACTION TO PREVENT TYPHOID

Acting upon information furnished the state deparment of health by health authorities of West Virginia that typhoid fever has broken out in towns located at the headwaters of the Monongahela river, sanitation engineers in Western Pennsylvania have taken over the situation in this section to prevent further spread of the disease.

The work of sanitation is being corducted in the five counties of Allegheny, Washington, Westmoreland, Greene and Fayette. Letters have been sent out from the department to the county boardes urging every precautionary measure, it is announced.

Investigation of the water companies along the river are now under way and where the water is found "not safe" orders to boil the water have been issued. Increased quantities of chlorine in purification of the water are being used.

The measure taken by the department of health through the division of engineering are believed to have prevented an epidemic of typhoid fever in the state. Although reports of the number of cases have not been received in Harrisburg, such an epidemic has been averted, according to assurances sent from this section of the state.

CONSTITUTION AND BY-LAWS FOR CHAMBER OF COMMERCE

Enthusiastic Meeting Held in Municipal Building Friday Evening

ADOPT LAWS UNANIMOUSLY

The first meeting of the membership of the Chamber of Commerce proved to be very successful. The assembly room in the Municipal Building was taxed to its full capacity overflowing into the hall.

In the absence of Kerfoot W. Daly the general chairman for the expansion movement, R. H. Rush presided. He opened the evening program by calling upon Thomas Warrensford to lead in the singing of America. Hugh Fergus, Chairman of the Constitution and By-Laws committee was then introduced and he explained that the Constitution as presented was the standard form of By-Laws used by many similar organizations in other cities and that it had been gone into very carefully by the committee. The entire report was read article by article, after which the chairman called for discussion. In the absence of questions George Newton moved the adoption of the Constitution and By-Laws as presented. This was seconded by J. K. Brumbaugh. The question being called for the vote was taken and unanimously adopted.

Michael Rosenbloom was then introduced as the speaker of the evening and gave a very interesting and pleasing talk on "Service to the Community."

E. G. Kingsbury, Secretary of the American City Bureau explained the work of the Chamber for the next three weeks and urged every member to attend the Group Meetings which are to be held Tuesday and Wednesday of next week for the purpose of developing the program of work for the coming year.

The meeting closed with the singing of the "Long, Long Trail." Refreshments were served in the corridor under the direction of John Schafer, assisted by Mr. and Mrs. William High.

GOSPEL SERVICES

A little learning is a dangerous thing;

Drink deeply, or not at all, at the Pierian spring. There shallow drafts intoxicate the brain,

And drinking deeply sobers us again—Pope.

Have you taken only shallow drafts from the fountain of eternal life? Are you willing to learn of the deep things of God? 1 Cor; 2:10-11.

Let him that is athirst come. And whosoever will, let him take the water of life freely. Rev. 22:17.

An open meeting will be held Sunday afternoon at 2:30 o'clock, in the Odd Fellows building, Donora at which time newly elected officers of the Young Men's Hebrew Association of the Monongahela Valley will be installed. Prominent speakers from Pittsburg will be present, and a fine musical program has been arranged for the occasion.

DROWNING BOY RESCUED BY FRIEND

A Monongahela boy named Frank Greco, aged 10 years, was saved from drowning Friday morning by bravery of Robert Wiper, a high school boy of that city.

Greco, with a couple of companions, was playing under the Pigeon creek bridge and ventured out on the ice. The ice being unable to bear his weight, gave way and the boy was precipitated into the water, which is quite deep at that point. Young Wiper, on his way to school at the time, heard Greco's cries, and without hesitation ran to the point near where the boy was strugggling in the water and plunged in. He brought Greco safely to shore, not much worse for the experience, but a badly frightened boy. Young Wiper had to return home and change his clothing before he could continue on his way to school.
